Dear Friends of Strawberry Lake Christian Retreat,

Blessings. We are very excited to know the year 2012 will be an exceptional year of blessing. Please look over the enclosed new speaker brochure and pray and allow God to show you what week or weeks you should come and participate.

In the past, your presence has always been a blessing to our Camp activities and I am asking you to come again and invite your friends to come with you and be a part of the Christian events this summer.

Our new Caretakers will be John and Roberta Cook, taking the place of the Cassel family and we have Karen Anderson taking the position of Chef for this coming summer season. A much bigger and exciting Fishing Derby is planned for this July during Phil Derstine's week. **Don't miss hearing Richard Sherber**, Exec. Director of Minn. Teen Challenge on July 4th, his first time at Christian Retreat.

Ron Stoltzfus, son to Amos of "Following the Fire" book, will have a full week, the second week in July. **Your life will be challenged and inspired with his firey ministry.** Also Dave Duell is back again in August. Another Native American week with Gabriel and Laura Ward in August.

Your life will be stirred and challenged with the ministry of David Sutton, who has radically changed the Salvation Army, Center of Hope ministry in Sarasota, Florida. **Don't miss this summer Camp. Plan Now!** We plan to air-condition all of our Shekineh Motel rooms this summer. **You are needed and so very welcome.**

God bless you,

Gerald Derstine
